The proposed amendments to 43 Texas Administrative Code, Chapter 217, Vehicle Titles and Registration, §§217.22, 217.26, 217.28, and 217.29, would set new requirements for the personal identification documents that an applicant must provide for vehicle registration as a Texas resident under Texas Transportation Code §502.040. The amendments are proposed under Transportation Code, §502.0021, which gives the Texas Department of Motor Vehicles (department) the authority to adopt rules to administer Transportation Code, Chapter 502; Transportation Code, §502.040, which gives the department authority to determine by rule the personal identification required for vehicle registration under that section; and Transportation Code, §502.043, which gives the department authority to make rules to prescribe the manner and required information for an application for vehicle registration and to require an applicant for registration to provide current personal identification. The proposed amendments were published in the December 5, 2025, issue of the *Texas Register*.
