**The Motor Vehicle Crime Prevention Authority (MVCPA) hosts an annual state-wide conference designed to provide education, professional development, and networking opportunities for professionals dedicated to preventing motor vehicle crime.**

This five-day event at the Hilton Downtown Fort Worth will benefit law enforcement agencies, auto theft taskforces, prosecutors, industry experts, policymakers, and insurance fraud investigators, offering insights into the latest trends, investigative techniques, vehicle security advancements, fraud prevention strategies, and evolving motor vehicle crime laws.

Join us in Fort Worth this summer to expand your knowledge, connect with industry leaders, and strengthen efforts to combat vehicle crime.
